Privacy is of utmost importance at Patriot Exchange. We recognize the significance of protecting information which is stored on our servers or network or is intended to be stored on our servers or network and which relates to an individual. The data we protect are the “Personal Data” which is any information that can be used to identify you directly or indirectly.

This Privacy Policy is designed to address regulatory requirements of the jurisdictions in which Patriot Exchange offers its Services, including the General Data Protection Regulation (“GDPR”), as enacted by the European Commission and the California Consumer Privacy Act (“CCPA”). In this Privacy Policy, the terms “Service” and “Services” have the same meaning as described in the User Agreement.

What data do we collect about you and how do we collect it? We collect your Personal Data through a variety of methods: either you provide it to us directly, we collect it from external sources, or we collect it by using automated means. Information you may provide to us: You may give us information about you by filling in forms on our Sites or through our app or by corresponding with us by phone, email or otherwise. This includes information you provide when you register to use the Services and when you report a problem with the Sites or with our app. Information we collect about you: With regard to each of your visits to our Sites or our app we automatically collect the following information:

Login Information: We log technical information about your use of the Services, including the type of browser and version you use, the wallet identifier, the last access time of your wallet, the Internet Protocol (IP) address used to create the wallet and the most recent IP address used to access the wallet. **Device Information:** We collect information about the device you use to access your account, including the hardware model, operating system and version, and unique device identifiers, but this information is anonymized and not tied to any particular person.

Transaction Information: In connection with our Services, we may collect and maintain information relating to transactions you effect using the Patriot Exchange Wallet (e.g. converting one virtual currency to another or purchasing virtual currencies). **Information We Collect Required By Law, Rule, or Regulation:** Depending on the Service, we may collect information from you in order to meet regulatory obligations around know-your-customer ("KYC") and anti-money laundering ("AML") requirements. Information that we collect from you includes the following:

Full name

Residential address

Contact details (telephone number, email address)

Date and place of birth, gender, place of citizenship

Bank account information and/or credit card details

Your status as a politically exposed person Source of funds & proof of address Passport and/or national driver's license or government-issued identification card to verify your identity.

Transaction history and account balances in connection with your use of certain Services. **Information We Collect from External Sources:** We also receive information from other sources and combine that with the information we collect through our Services.

For instance: Patriot Exchange may analyze public blockchain data to ensure parties utilizing our Services are not engaged in illegal or prohibited activity under our User Agreement, and to analyze transaction trends for research and development purposes. Banks or payment processors that you use to transfer fiat currency may provide us with basic Personal Data, such as your name and address, as well as, your bank account information. Advertising or analytics providers may provide us with anonymized information about you, including but not limited to, how you found our website.

PATX does not nor will ever sell or make available ANY of your personal data to any third party UNLESS it is Law enforcement, government officials, regulatory agencies, or banks, and other third parties pursuant to a subpoena, court order or other legal process or requirement if applicable to Patriot Exchange; or when we believe, in our sole discretion, that the disclosure of data is necessary to report suspected illegal or fraudulent activity or to investigate violations of our User Agreement.
